

Good Evening All,

Was this a day of rest or a day of strategy. As the season is coming to the end with 5 weeks left which includes a major, all the point leaders in each bracket were absent. Are they out preparing for a strong push to the finish line? Are we in for an exciting finish? I truly hope so..... I can't wait to see what happens. I would like to thank Jeff Clinton and Andre Beaufort for coming out and playing with the E-D Golf Tour.

**The E-D Golf Tour is not scheduling play for Saturday 13th October since it will be our Octoberfest in Charlotte, NC 12 - 14 Oct.**
